To My Church Friends,

Thanks for all the birthday cards that were so uplifting to me and meant so much and helped make my birthday so special along with my friends and family. You truly are a church that has the love for God in your hearts and know how to share it with others.

Also, thanks for the get well cards. They help keep me going knowing someone cares along with my faith in God and my friends and family. Special thanks to Gail for being there for me.

Thanks for all the love, phone calls, food, etc. during my illness. I still have a ways to go but trying to keep positive.

Love and Blessings, Joan Kauffman
